

Referral program

We value You, and our business, and understand the importance of referrals. Therefore we created a special program that allows anyone who refers a new lead to Youakim Design Group the benefit of earning cash or gift certificates.

Here is how it works:

This program applies **only to the first signed contract** by the lead you send us. When their agreement is firm, we will contact you, and you will have the choice of a gift certificate or cheque of up to \$200.00 in value. See chart below.

This program applies to anyone who brings new business to Youakim Design Group and is not limited to its existing customers only, everyone is welcome to participate.

We also hold the right to terminate or alter this program without prior notice at any given time should we decide to do so and without obligation to any participants should we feel such decision is needed for the well-being of our company.

Check our many services.
